

Directions to Mosswood Hollow Retreat Center

1. Take the 520 Freeway East through Redmond until it ends at the traffic light at Union Hill Road and becomes Avondale Road.
2. Continue North on Avondale Road for one mile and bear right onto Novelty Hill Road, one block after the light at 95th Street.
3. Follow Novelty Hill Road for 4.8 miles until it ends, and turn left onto West Snoqualmie Valley Road.
4. Continue 2.9 miles on West Snoqualmie Valley Road and turn right at the traffic light onto Woodinville-Duvall Road.
5. Go one mile across the valley to the first traffic light in downtown Duvall and turn left onto Highway 203.
6. Go about **one block** and turn right (not straight to Monroe) at the fork at Cherry Valley Road and continue up the hill. Continue 4.3 miles along Cherry Valley Road to Mountain View Road N.E. Make the sharp turn left onto Mountain View Road. (There will also be a sign to Lake Margaret.)
7. Go 7/10 of a mile on Mountain View Road and take the hairpin turn to the right. Continue for 1/2 mile and bear right at the fork onto 318th Avenue. You'll see another Lake Margaret sign and a "Dead End" sign. (If you drive past the Fire Station you've gone too far.) Continue on 318th Avenue and notice that the road curves to the right and now becomes 183rd N.E. Street.
8. Continue up hill on 183rd Street and road will become 320th Avenue as it curves to the left.
9. Go all the way up the hill on 320th Avenue and continue straight. (Do not follow 197th Street to the right, but go straight on 320th Avenue past the "Dead End" sign. The paved road becomes a gravel road. Follow this road to the end, passing through a wrought-iron gateway to the left and down a winding driveway.
10. The Retreat Center, a large cedar house, beckons. Parking is on the left, just before the house. Welcome to Mosswood Hollow!

* If you approach Duvall from the North, from Monroe, there is another Cherry Valley Road before you get to Duvall. **Do not take this road!** Be sure you are in Duvall, within sight of the downtown traffic light up ahead, before you take a very sharp turn left up the Cherry Valley Road hill.
